To show our appreciation for your business,
we are running special product promotions.

Apolan® High Performance Polyurethane Screen Printing Squeegees

Purchase one roll of
the molded edge
squeegee at list price
and receive another
roll at Half Price!

**Consistency in manufacture,
consistency in performance**

Purchase one roll of cut squeegee at list
price and receive another roll at Half Price!

Some squeegee may not be in stock at
the time of your order. Lead time and
possible minimum quantities may
apply.

Norcote® now manufactures our own line of
High Solids dual cure emulsions, DC-1
(violet) and DC-3 (Blue). Both emulsions
offer excellent print quality and durability
with a wide processing latitude.

Buy one gallon of DC-1 or DC-3 at list price
and receive one gallon **FREE!**
