

Code	Color	Blue Wool Scale	
MSK-002	Mixing White	N/A	<p>Testing:</p> <p>Due to the inability of Norcote to anticipate or control the conditions under which the Products and information relating thereto will be used and/or stored, Norcote cannot guarantee the results obtained from using the Products. Any Suggested Uses are merely representative, and because the final product will depend on a number of specific factors, the end user should pretest all substrates with the Products prior to use in production.</p> <p>Blue Wool Scale:</p> <p>The blue wool rating in this chart is for the pigments only. The light fastness of the Products will be impacted by the ink vehicle, pigment amount, substrate and exposure time outdoors and can not be accurately predicted. The end user should perform light fastness testing to determine suitability.</p>
